The summary was presented by Member (Finance), CDA. The Board examined the bids submitted to the auction committee for sale of commercial plots in the auction held in Jinnah Convention Centre, Islamabad on 21st to 23rd September, 2020. The Board accepted the bids of the plots which were higher than the average previous auction price. The bids of plots mentioned at Sr No. 6,9 & 15 of above table which were lower than previous average auction price but higher than the price which was calculated on GPI for the auction held two months ago (July 2020) were referred back to the auction committee for definite recommendations in the light of market trends and financial propriety. The Board further sought clarification from the auction committee whether the reserve price calculated on the basis of GPI should be reviewed/changed before every auction taking place within one year of the calculation or shall remain intact till next GPI.
